Community Cafe announces five day opening 9 – 11am

The Community Cafe in Stillingfleet Road Barnes is going to open monday to friday from January.

Opened mid 2009 the café has been so popular the committee has decided to extend the opening hours.

“We have been really pleased with the way the café has worked out” said volunteer Clare “there is a real buzz and people have somewhere local to go for a good

Tea and Toast £1!!!

cup of coffee and a chat.” Extending the opening hours means more volunteers are needed to help serve customers and bake cakes.

Committee member Juliet told us “We can only open the extra hours if people are willing to donate their time. Two hours once a fortnight is all we’re

asking for! We only use Fairtrade products and where else in Barnes can you have a pot of tea and a slice of toast for £1.00 !!!”

If you are interested either fill in the form below email communitycafe@hotmail.com or just pop in.

Community Café Volunteer Response Form

Title _____ First Name _____ Surname _____

Address _____

Post Code _____
